

# GRADUATE CERTIFICATE IN CLIMATE LEADERSHIP

---

The Graduate Certificate in Climate Leadership is an offering of the University of Wisconsin online collaborative M.S. in Sustainable Management program. Coursework completed in the certificate applies toward the master's degree should a student choose to enroll as a degree-seeking student in the program.

Coursework in this certificate focuses on the principles of sustainability, climate science and leadership. Students will learn the fundamentals of sustainability and climate science in management, behavior and development of organizations, and the principles of corporate social responsibility.

For admission to the certificate program, a prospective student would complete the University of Wisconsin Online Admission Application as a "special student" - no application fee, transcripts, or prerequisites are required. A transcript for this certificate will be provided by the student's campus.

This certificate consists of the following three courses, 9 credits:

<b>Code</b>	<b>Title</b>	<b>Hours</b>
SMGT 700	Cultural and Historical Foundations of Sustainability	3.00
SMGT 770	Leading Sustainable Organizations	3.00
SMGT 786	Climate Change	3.00
<b>Total Hours</b>		<b>9.00</b>
