

IMPROVING HEALTH WITH DATA AND POLICY CERTIFICATE

This certificate will provide students with the critical skills needed to better identify and address health issues using a data informed strategy. Students will be given the tools needed to collect, evaluate, and communicate health data to a variety of audiences. Students will examine how policies, regulations, and healthcare systems impact health outcomes and health equity.

Target Audience

- Individuals working in a health and wellness related field that need additional skills collecting and analyzing data

Admission Requirements

- Apply as a "Graduate Non-Degree Applicant."
- When asked "Are you applying as a degree-seeking student?" select "NO", and that you plan to take "Graduate" classes.
 - Select "U-W Superior" as the campus.
 - Choose "Improving Health with Data and Policy Certificate (non-degree seeking) Graduate" for program.
 - No application fee. Skip the application fee section.
- Not eligible for financial aid.
