

SOCIAL INQUIRY

Mission Statement

The Social Inquiry Department (<https://www.uwsuper.edu/academics/academic-departments/social-inquiry/>) fosters intellectual growth and career preparation within a liberal arts tradition that emphasizes individual attention and embodies respect for diverse cultures and multiple voices. Through its contribution to the University's general education program and its major and minor curricula, the department helps students to become life-long learners who seek understanding as a valuable end in its own right. In particular, the department encourages students to apply reflective and systematic thought to the social world using the methodological tools of the social sciences and humanities. Our goal is to produce graduates who approach their lives, both as professionals and as responsible members of local and global communities, with reason and creativity. The Department offers majors and minors in Sociology (<http://catalog.uwsuper.edu/undergraduate/academic-departments/social-inquiry/sociology/>), Political Science (<http://catalog.uwsuper.edu/undergraduate/academic-departments/social-inquiry/political-science/>), History (<http://catalog.uwsuper.edu/undergraduate/academic-departments/social-inquiry/history/>) and BroadField Social Studies (<http://catalog.uwsuper.edu/undergraduate/academic-departments/natural-sciences/broad-field-science/>), along with minors in Anthropology (<http://catalog.uwsuper.edu/undergraduate/academic-departments/social-inquiry/anthropology/>), Global Studies (<http://catalog.uwsuper.edu/undergraduate/academic-departments/writing-language-literature/global-studies/>), Philosophy (<http://catalog.uwsuper.edu/undergraduate/academic-departments/social-inquiry/philosophy/>) and Gender Studies (<http://catalog.uwsuper.edu/undergraduate/academic-departments/social-inquiry/gender-studies/>).
