

TEACHER EDUCATION (T ED)

T ED 581 Selected Topics in Teacher Education 0.50-3.00

Offered only as Continuing Education credits. May be taken in several units provided a different topic or program is studied each time as requested.

T ED 589 Teacher Education Elective 1.00-99.00

Teacher Education Elective

T ED 607 The Middle School and Its Students 3.00

Provides students with an understanding of the history, philosophy, organization, curriculum, teaching strategies, and unique student needs associated with middle-level educational institutions. Particular emphasis placed on preparing pre-service teachers with the background necessary to effectively work with middle-level learners aged 10-14, through experience planning and maintaining a school and classroom environment suited to young adolescents. This course includes a required pre-student teaching clinical in grades 6-8. This course should be taken the semester prior to student teaching. A minimum grade of C in this course is required for all education majors.

Prerequisites:

Consent of cooperating Instructor and Department Chair.

Typically Offered:

- Occasional by Demand

T ED 689 Teacher Education Elective 1.00-99.00

Teacher Education Elective

T ED 694 Principles and Practices of Inclusive Teaching 3.00

This course addresses the instructional practices that ensure all students are included and have access to the learning that occurs in a K-12 general education classroom. This includes the skills and knowledge needed to meet the needs of students receiving special education services in general education settings.

Typically Offered:

- Occasional by Demand

T ED 699 Directed Studies in Teacher Education 0.50-6.00

Allows the student with special needs and interests to pursue particular areas and problems in education. The problem and/or plan of study requires approval of the instructor within the department who will be directing the study.

Typically Offered:

- Occasional by Demand

T ED 711 Mathematics Assessment and Strategies 2.00

Examines assessment procedures and teaching strategies appropriate to providing instruction to students having difficulty learning mathematics. Emphasis on differentiating and adapting existing curriculum to assist all students in reaching the goals of the National Council of Teachers of Mathematics (NCTM 2000).

Typically Offered:

- Occasional by Demand

T ED 712 Education for the 21st Century 3.00

Fosters the study of historical, philosophical, and social foundations underlying the development, purposes, organization, and issues of K-12 education in the USA. Topics also include legal, ethical, political, and economic aspects, governance, roles and responsibilities of agencies and associations, and trends. Basics in multicultural and non-sexist education, positive and appropriate portrayal of diversity, disabilities, and instructional strategies that build inclusivity are covered.

Typically Offered:

- Occasional by Demand

T ED 713 Development and Learning Theories 3.00

Examines theories of typical and atypical child and adolescent development (physical, social, emotional, cognitive, and moral). Special emphasis is given to understanding and applications of learning theories and approaches that fit with development levels and enhance learning. Course begins to address diverse learners, motivation, management, and climate for learning that is appropriate for developmental levels.

Typically Offered:

- Fall and Spring Terms

T ED 716 Interactive and Accessible Learning in Alternative Delivery 3.00

Explores traits of various educational delivery models and methods for developing learner-centered curriculum which engages all learners in any mode. Addresses instructional design models and implementation strategies in alternative delivery methods.

Typically Offered:

- Online: Spring & Summer

T ED 717 School Partnerships with Families and Communities 3.00

Examines the collaborative efforts of educators to support successful family-school-community partnerships that foster development and learning for all learners. Includes strategies and approaches to supporting the diverse cognitive social and emotional needs of learners as a collaborative effort.

Typically Offered:

- Online: Fall & Summer

T ED 718 Teachers as Leaders 3.00

Examines the nature of teacher leadership and the impact on student learning within a school setting. Emphasis on the roles of teachers as agents of positive and sustainable change.

Typically Offered:

- Online: Fall & Summer

T ED 724 Teaching as Reflective Decision Making: Professional Development for 21st Century 3.00

Students clarify their professional needs and philosophies using understandings of current issues and license renewal processes, and reflective tasks regarding their own practice. For Wisconsin teachers and other teachers building a professional development plan/portfolio, this course offers support in identifying and reflecting on professional strengths and weaknesses in relation to standards in the field, and setting goals for professional development.

Typically Offered:

- Occasional by Demand

T ED 728 Diversity Exploration in a K-12 Setting 3.00

Examination of the issues related to inequities and inequalities in PK-12 classrooms. Explores diversity in education from an historical perspective to inform teaching practices regarding race, culture, class, and gender. Considers power dynamics, pedagogy, and ideologies that frame education in our schools.

Typically Offered:

- Online: Spring & Summer

T ED 734 Current Developments in Student Learning and Their Applications 3.00

Study of foundational and recent theories in learning, motivation, and learning environments, and their practical implementation in today's array of classroom. Focuses on how students learn and how to impact student engagement.

Typically Offered:

- Online: Spring & Summer

T ED 739 Workshop in Supervision of Student Teachers 1.00

Participants are informed of the policies, procedures and methods used in the supervision of student teachers at UW-Superior. Aimed primarily at teachers who teach subjects and grade levels for which there are shortages of approved cooperating teachers.

Typically Offered:

- Occasional by Demand

T ED 499 Directed Studies in Teacher Education 0.50-6.00

Allows the student with special needs and interests to pursue particular areas and problems in education. The problem and/or plan of study requires approval of the instructor within the department who will be directing the study.

T ED 740 Seminar in Supervision of Student Teachers/Interns 2.00

Study of policies, procedures and methods used in supervision of student teachers and interns. Open to those who are actual or potential supervisors of student teachers and interns, and is a requirement for teachers who will serve as cooperating teachers in the student teaching and internship program.

Typically Offered:

- Occasional by Demand

T ED 741 Using Educational Assessment to Inform Practice 3.00

Study of the principles followed in constructing, using and analyzing formal and informal assessment tasks, tools, standardized tests and results of educational research in the classroom.

Typically Offered:

- Online: Fall & Spring

T ED 744 Trends in Curricular and Instructional Practices 3.00

Engages teachers in analyzing and reflecting on current developments and practices in curriculum planning and instructional strategies.

Typically Offered:

- Online: Fall & Summer

T ED 750 Foundations of Action Research 3.00

Emphasizes research methodology and topics specific to the field of education. Students develop an action research project surrounding educational issues in a classroom, program, or site through a single subject design (in quantitative, qualitative, or mixed methods). The focus is on creating an action research proposal and plan that addresses existing research and current needs. Cross listed with SPED 780.

Typically Offered:

- Online: Fall, Spring, & Summer

T ED 752 Action Research Project 3.00

Implementation of an action research project through data collection, data analysis, and evaluation of a plan of action. The completed project is written and presented to constituents (faculty, staff, students, and/or site). Cross listed with SPED 784

Prerequisites:

Prerequisite/Co-requisite T ED 750 or SPED 780 (cross listed)

Typically Offered:

- Online: Fall & Spring

T ED 754 School Law for Classroom Teachers 3.00

Study the legal framework within which all school employees must operate. Emphasis on laws and sources of laws which affect students, teachers, and instruction.

Typically Offered:

- Online: Spring & Summer

T ED 781 Independent Study 1.00-4.00

Specially designed studies to allow the graduate student to pursue specific areas of need or interest. Approval of the topic of study and the plan of study by the instructor directing the study is required before enrollment.

Typically Offered:

- Occasional by Demand

T ED 789 Teacher Education Elective 1.00-99.00
