

ASSOCIATE OF ARTS IN LIBERAL ARTS

Associate of Arts in Liberal Arts Degree

The A.A. in Liberal Arts degree (a two-year degree) is primarily intended to provide a broad liberal arts background and is designed to be the foundation, and satisfy the University Studies requirements, for most bachelor degree programs. Students who intend to transfer to another institution should earn an Associate of Arts degree prior to leaving UW-Superior. Latin honors are not awarded for associate degrees.

Programs

- Liberal Arts, Associate of Arts
