

K-12 EDUCATION CERTIFICATION/LICENSURE

Requirements

The professional requirements for K-12 education certification/licensure students consist of courses in the Teacher Education programs, appropriate methods courses in the major and minor areas, and student teaching. The first 22 credits listed below may be completed as the Instruction Minor, if desired, for students completing K-12 (not EC-A) teaching major/minors.

22-26 credits required, or as approved for the specific licensure program.
