

ELEMENTARY EDUCATION MAJOR - KINDERGARTEN- GRADE 9 CONCENTRATION

ELEMENTARY EDUCATION MAJOR

The UW-Superior Teacher Education program offers three tracks towards earning a Wisconsin teaching license in Elementary Education. Each concentration has specific coursework (Major and Minor) and other requirements to be eligible for licensure.

K-9 ELEMENTARY EDUCATION MAJOR - Kindergarten - Grade 9 Concentration

UW-Superior education programs are approved by the Wisconsin Department of Public Instruction (<http://dpi.wi.gov/>) to fulfill specific licensure requirements for the state of Wisconsin at the time of degree completion. Some requirements may unavoidably change as state requirements change; students should stay in close communication with their advisors throughout your program. If students seek licensure in a state other than Wisconsin, they should review the UW-Superior Institutional Certification Office (<https://www.uwsuper.edu/frequently-asked-questions/institutional-certification-office-faqs/>) (<https://www.uwsuper.edu/frequently-asked-questions/institutional-certification-office-faqs/>) web page for further information and assistance.

University Studies Requirement: All students seeking an elementary education major must complete the university's University Studies requirements or the fulfillment of an AA, AS, BA, or BS degree from another institution that includes an environmental science course (BIOL 170 Biological Inquiry for Teachers).

Elementary Education Major - Kindergarten-Grade 9 Concentration

To be eligible for the Wisconsin K-9 teaching license, students must successfully complete the K-9 Elementary Education major, the Instruction minor, and Student Teaching. A grade of C must be earned in all major and minor courses (except for B requirements in T ED 200 Introduction to Education and the pass requirement in T ED 100 Orientation to Teacher Education). This license also requires a passing score on approved pedagogical knowledge assessments, a passing score on approved content knowledge assessment, and the Wisconsin Foundation of Reading Test.
