

HEALTH EDUCATION MINOR - K-12 TEACHER CERTIFICATION

Requirements

UW-Superior education programs are approved by the Wisconsin Department of Public Instruction to fulfill specific licensure requirements for the state of Wisconsin at the time of degree completion. Some requirements may unavoidably change as state requirements change; stay in close communication with your advisors throughout your program. If you seek licensure in a state other than Wisconsin, please see the UW-Superior Institutional Certification office web page for further information and assistance.
