

ENGLISH - SECONDARY EDUCATION (4-12) MAJOR

Requirements

36 total credits (including the University Studies literature requirement)

The English Secondary Education major contains a concentration in English literature and leads to eligibility for a Wisconsin teaching license in grades 4-12.

In building their content and content pedagogy knowledge and skills, candidates satisfy the following major, minor, and general education requirements (course descriptions are provided where the course title may benefit from additional details):

This major requires either the Writing Major, Writing Minor, or Theatre Minor, plus the Instruction Minor and student teaching. Please see the Teacher Education section of this catalog for teacher certification requirements. U-W Superior education programs are approved by the Wisconsin Department of Public Instruction to fulfill specific licensure requirements for the state of Wisconsin at the time of degree completion.

Some requirements may unavoidably change as state requirements change: stay in close communication with your advisors throughout your program. If you seek licensure in a state other than Wisconsin, please see the UW-Superior Institutional Certification Office web page for further information and assistance.

As this major leads to a Bachelor of Arts degree, the World Language requirement for the Bachelor of Arts Degree must also be fulfilled. See the Degree Requirements section of this catalog for information.
