

EARLY CHILDHOOD (EC)

EC 470 Child Life 3.00

Seminar course for students completing the Child Life concentration. Theoretical foundations of Child Life practice, the therapeutic relationship, family care, assessment and documentation are covered in depth in this course. Attention is given to understanding children in the context of medical issues as they arise in hospital settings, such as end of life care, chronic disease and emergency care. Includes up to 15 hours of field experience.
