3. Offer graduate programs in areas associated with its undergraduate emphases and strengths.
4. Extend its undergraduate and graduate resources beyond the boundaries of the campus through alternative delivery of programs.
5. Expect scholarly activity, including research, scholarship and creative endeavor, that supports its programs at the associate and baccalaureate degree levels, its selected graduate programs, and its special mission.
6. Maintain an inclusive campus community that challenges students to develop their intellectual, personal, cultural, and social competencies.
7. Engage in appropriate inter-institutional relationships and community partnerships to enhance educational and service opportunities.
8. Foster, with the University of Wisconsin-Extension, the development of cooperative and general outreach programming and the integration of the Extension function with that of this institution.

Our Community

Superior offers the convenience of city living and the year-round recreational opportunities of the Northland.

Situated in the northwest corner of Wisconsin, Superior overlooks the western tip of Lake Superior. This historic city of 27,000 remains an important Great Lakes port and transportation hub while also providing jobs in manufacturing, retail and education. The city combines with neighboring Duluth, Minnesota, to provide a rich metro setting with live entertainment and shopping as well as numerous opportunities for internships and careers.

The city is located just five minutes from Duluth and Lake Superior, and just a short drive from fishing, hiking, skiing, biking and other outdoor activities.
